

Financial year	Percentage of invoices paid within 30 days	Value of interest (£'s) liability on invoices paid after 30 days	Interest (£'s) actually paid to suppliers
2019/20	98.0%	£50,071	
2018/19	94.6%	£139,863	
2017/18	93.8%	£199,900	
2016/17	90.2%	£305,831	
2015/16	87.3%	£561,164	
	We cannot know how many invoices not paid within 30 days were valid and compliant invoices, since we had a policy not to reject any invoices; nor whether valid invoices were subject to verification procedures or how many were not disputed.	We cannot know how many invoices not paid within 30 days were valid and compliant invoices, since we had a policy not to reject any invoices; nor whether valid invoices were subject to verification procedures or how many were not disputed.	We are not aware of any late paid interest claimed
